

INTERNATIONAL WOMEN'S DAY

NSS UNIT, MAMATA MEDICAL COLLEGE

International Women's Day (March 8) is a global day celebrating the socio, economic, cultural and political achievements of women. The day also marks a call to action for accelerating women's equality. International Women's Day has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific. **International Women's Day is powered by the collective efforts of all.** So make International Women's Day your day and do what you can to truly make a positive difference for women.
