

WORLD EARTH DAY

NSS UNIT, MAMATA MEDICAL COLLEGE

"MY EARTH – MY DUTY"

Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of co2.As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. The NSS Unit and ECO CLUB of Mamata Medical College organized "Tree Plantation " programme "MY EARTH-MY DUTY "under National service Scheme on 22nd April 2020 in the college premises. It was attended by Dr.K.Nitheshkumar (NSS Programme coordinator) Dr.B.P.RaviKumar,(Prof & HO) and Faculty members Dept.of Community Medicine and more than 20 student volunteers Under the Guidance of Professor K.Nitheshkumar, NSS Program Coordinator, NSS volunteers planted more than 20 trees .The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.
