The Munneru bridge between Karunagiri and Khammam in the city has turned out to be a hotspot for providing 'annadhanam' to people, who have are homeless and jobless As a precautionary measure to contain the spread of COVID-19 virus, the district administration, soon after the imposition of curfew, we began distributing food to those living on platforms.. By seeing our service, more and more jobless people have joined them to get food packets According to a rough estimate, the number of people, who wait for distribution of food on the bridge, has gone up to about 200 from 50.
